

# Sonoran Desert Corvettes

## Summer Road Trip

### Tucson to Oatman Arizona

June 23-25, 2025

This adventure is a three-day journey that winds from Tucson to the charming, old-west town of Oatman and back. A key highlight of the trip is the focus on meandering through scenic backroads, avoiding the monotony of interstate highways wherever possible. To ensure the experience remains invigorating and enjoyable, we've built in regular stops to stretch, explore, and savor the unique character of each destination.

The itinerary includes two overnight stays: the first in the quaint, cowboy-themed town of Wickenburg and the second in the historic, alpine town of Williams, the 'Gateway to the Grand Canyon.' To make planning a breeze, hyperlinks are embedded for easy access to the reservation pages of recommended hotels. Additionally, the maps provided in this itinerary are interactive, allowing you to upload them directly to your phone for seamless navigation.

This document outlines a three-day summer road trip organized by Sonoran Desert Corvettes, scheduled from June 23-25, 2025, traveling from Tucson to Oatman, Arizona, and back. The trip emphasizes scenic backroads and includes regular stops for exploration and relaxation.
