# Verde Canyon Railroad 11/8/2023

## A TRAIN FOR ALL SEASONS

UNTOUCHED, UNSPOILED AND ONLY ACCESSIBLE BY RAIL, THE VERDE CANYON RAILROAD JOURNEY IS MAGNIFICENT IN EVERY SEASON.

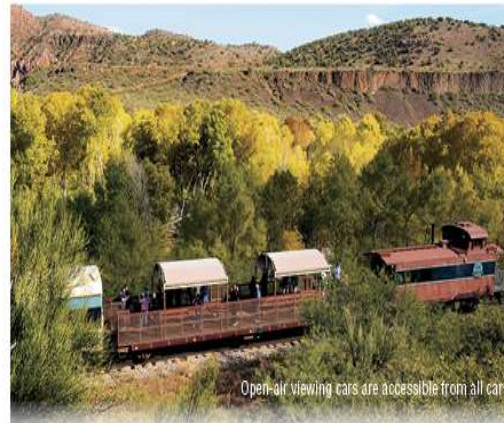

- Spectacular geology and remnants of a bygone mining era
- Sinagua Indian ruins dating back to 600 B.C.
- Lively river habitat, the lifeline to a variety of resident wildlife and waterfowl
- Unique railroad structures including a recycled turntable bridge, 150 foot tall S.O.B. Canyon trestle and a covered steel bridge at Perkinsville
- 734-foot manmade tunnel where daylight briefly disappears

*By partnering with Liberty Wildlife, an Arizona nonprofit wildlife rescue, Verde Canyon Railroad provides an opportunity for passengers to see rescued raptors at the depot and onboard the train regularly throughout the year.*

- *The Magical Christmas Journey™, Chocolate Lovers' Special* and *Eagle Watch* highlight the winter season
- As Spring arrives, blooming wildflowers and colorful cacti dot the high desert
- *Summer Starlight Tours* depart during daylight and continue under illuminated evening skies, with special events including the *Grape Train Escape* (wine-tasting)
- Gold, bronze and copper colors fill the Canyon during *Ales on Rails* annual beer festival, celebrated in September and October

Open-air viewing cars are accessible from all cars
