## Make a wish comes true from the SDCT

Email sent to our membership on July 7th \*

\* Message from Robert with Obessions Car Club - if any of our Members with a red Corvette is willing to help with this wish, please contact Robert directly.

Hey guys,

Robert from Obsessions car club here.

We received a message from someone today, and wondering if you guys can help us out with this.

"Hi! I have a friend whose mom is going into hospice tomorrow. Her wish has always been to take a ride in a Red Corvette.

I was referred to this page by Jennifer Fonyi as a place where someone might have one willing to make a dying woman's wish come true?

Thank you in advance \_\_\_\_"

Please let me know ASAP if this is something you guys can assist with.

**Thanks**
